...we wouldn't exist without you and your passion...

AS WE APPROACH the 2023 rally season, which by the way will be our 20th year as a MINI owners club, I would like to say I was honored and proud to have served as your Prime MINIster for the last three years.

> To say the last three years were challenging would be an understatement. The Year 2020 started with the Officers team facing an almost complete turnover of personnel causing us to learn the ins and outs of running the club on the fly. Then Covid hit and we were forced to cancel the 2020 members meeting and rally schedule thru June. With some out-of-the-box thinking, we managed to salvage the second half of the year with post rally meetups at state and local parks and required masking. We also held virtual dinners and a Zoom Trivial Pursuit night.

As we entered 2021 with Covid still a major concern, we held the members meeting at Paradise Farms utilizing a semi indoor/outdoor facility. As the year went by, we managed to return to some semblance of normalcy but still had to make some concessions to Covid. Monthly Get Together Dinners were suspended, but we did hold a full rally schedule. Last year started off with a bang as we had to replan our members meeting with three days notice due to a conflict with our original meeting site. Due to the incredible resourcefulness of Tracy Krapf and Ron Lobb, we managed to secure a new location and the meeting was a big success. With Covid waning, we started holding post rally lunches and it seemed as if things were beginning to look up after a few tough years. Then we were faced with another challenge as gas prices rose dramatically. Although we held a full rally schedule, overall participation was down.

I am extremely proud of the PhillyMINI members for their continued support for Preston and Steve's Camp Out For Hunger/Philabundance as we have donated more than 20,000 pounds of food during my three year tenure.

Again I would like to thank all the members of PhillyMINI as we wouldn't exist without you and your passion for the club.

This year promises to be a banner year as we celebrate our 20th anniversary and we have quite few awesome things on tap. So let's get ready to rally and I look forward to seeing everybody at this year's members meeting in March.

January Dinner Night Out - PHO TAI NAM

Twenty five brave MINIacs ventured out on the treacherous, rain-drenched roads in the dark of the night to come together for the first monthly dinner of the new year.

Maybe I am a bit dramatic, but that's me. It was a fun night at Pho Tai Nam in East Norriton and many noodles were consumed.

Thanks all for coming out, it was a blast seeing everyone and I look forward to having the monthly dinners more regularly again.

Anyone who is interested in hosting one please reach out to one of the club officers.

Membership Update

It's the time of year that we have all been waiting for! Registration renewals for the 2023/2024 rally season open on February 15th. All current members should receive an automated email reminder from our host, ClubExpress, to renew your membership. Membership packets/badges/clings/swag for new and renewing members will be distributed at the Members Meeting. For anyone that cannot attend, we will mail them to your home the following week.

A reminder that our motoring year runs April 1 through March 31 of the following year rather than a rolling calendar. We do not pro-rate membership dues. It is the same price no matter when in the year you renew. As a club, we have also been hit with rising costs and inflation like everyone else. Membership dues for both Motoring Drivers and Navigators will increase by \$5 this year.

What are the benefits of being a paid member besides getting to know and hang out with other really cool and fun MINI friends? Paid members get full access to the PhillyMINI.org website, discounts with the local MINI dealerships as well as a host of other vendors that offer discounts.As a new member, you will receive a badge holder and lanyard to wear at events as well as the yearly swag that all members receive including a badge, cling and vinyl decals for your car, a yearly button and a stack of brag tags to tag other MINI friends that you come across.

Membership Spotlight Abbie & Shawn Trexler

Since 2020.

How did you hear about PhillyMINI?

Trying to find outdoor activities for our family during the early stages of the pandemic, Abbie joined the LV Mini FB page. We attended a rally, not knowing anything about rallying other than rally racing, organized by Tracey in the Lehigh Valley in 2020. We had so much fun, she told us about PhillyMINI and we knew we wanted to join.

What are your MINIs' names?

Shawn's R53 is Stitch and Abbie's R57 is Bolt (we have a habit of naming our cars after Disney characters).

What's your favorite part of being a member?

The rallying! We also enjoy meeting other MINI faithful.

What's your favorite rally? Why?

We enjoy the fast paced, twisty rallies. Our favorite holiday is Halloween, so we really enjoy the Tri County Terror Rally (our daughter loves the ghost stories).

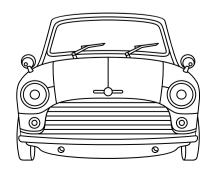

What's your favorite PhillyMINI memory?

Shawn's favorite is the ice cream that seems to appear at all rally stops.

What is your favorite part/thing/aspect of your MINI?

We both love the quick bursts of speed on our S models and how well they handle in the corners. Abbie loves the noises her R57 makes since it was tuned.

How do you spend your time outside of PhillyMINI? What other interests do you have? (e.g., sewing, quilting, autocross, cooking, crossfit, etc. Describe your other passions.)

We both love Formula 1 racing. We camp a lot with our kids in the summer and fall. Abbie enjoys cooking, reading, painting, photography and fishing. Shawn enjoys offroading his Bronco and is a big fan of tech (always and forever).

What other clubs are you a member? Car- or non-car-related.

Abbie runs a non-profit membership organization, The American Driving Society, Inc., which is a 2,000 member club devoted to carriage driving (horses, not cars). Interestingly, it runs on the Club Express web platform, too.
